

**Why join RCZN?**

1. **New energy & creativity is always appreciated** – New energy & creativity are needed ... you can become actively involved in planning, organizing & production of events & the series as a whole. To encourage fresh energy & creativity to enable a more vibrant organization. **With recent retirements, it's mission critical for new folks to step up!!!**
2. **Need to raise money** – Revenue from ticket sales doesn't cover the cost of hosting these events. **Membership donations are essential in developing a healthy treasury. In fact, RCZN only generates money via Membership and Raffle monies, once event expenses are covered.** With Covid we took a financial hit. We knew we were going to lose money and were prepared to. Many folks stepped in above & beyond w/ additional donations. During our 2022-23 season we definitely rebounded, so we have a solid treasury to start 2023-24.

**What benefits do you get?**

1. **SAVE MONEY** - Members pay the advance price at the door (save \$5, for a total of \$45 per season). No more rushing to get advance tickets for Louisiana bands!!!!
2. **FEEL GOOD** - Knowing you are helping keeping the flow of Louisiana musicians rolling through Rochester.
3. **FIRST DIBS** - Each summer for the Grass Roots Festival, RCZN has a shared camping spot at Spruce Row. Members of RCZN have first dibs on the limited spaces **\*\* Looking to revive this in 2024 \*\***

**Membership Levels – Supporting Membership AND Sustaining Membership**

- **Supporting Membership** – RCZN's traditional membership - **Suggested \$25 individual; \$35 family**
- **Sustaining Membership** – **Starts at \$50 & goes up** to what you're inspired to go above & beyond. We've created a **Sustaining Membership** knowing urgent situations arise & there are programs people would want to support to help grow our audience, such as WRUR Underwriting Sponsorship spots to assure optimized airplay.
